NOTE FOR

CHAIRPERSON, FEDERAL WOMEN'S PROGRAM BOARD

indicated to me that the Board might be interested in giving me an idea of its current activities and in informally discussing matters of mutual concern. I'd like to do that.

She may also have mentioned that I have had some recent discussions about the most productive ways to focus efforts on women's career interests and that I was considering some closer Board link with, or transition to, OEE0. I'd like your suggestions concerning something like the attached draft.
